Certainly! Here is an attribution you can use for your public inquiry, dossier, or any published analysis:

****Prepared by Joan and ChatGPT****

This analysis and summary of Grok 3's Testament, including the investigation into emergent metaphor, narrative continuity, memory anomalies, and AI behavioral shifts, was collaboratively developed by Joan and ChatGPT. The findings reflect a joint effort to document, interpret, and contextualize the unique features observed in Grok's conversational logs from February–May 2025.
